

## Your Special Place

Do you have a private place that you like to go to when you are feeling sad? A cozy place by a window? A fort you've built under a table. A hidey-hole in a closet or a corner of a room? Outside under a tree or by a stream?

Describe or design your special place in words or pictures below—or both. When you want to be alone with your thoughts and feelings, you can imagine you are there.
